

# Seasonal Availability Guide

GROWER'S PICK  
PREMIUM  
NEW ZEALAND FRUIT

We grow a large selection of premium apples and pears. As growers, everything we do builds towards that moment of truth when you sink your teeth into a piece of Golden Bay Fruit.

*Dates reflect fruit's container loading*

**PiqaBoo®**

Grown by Golden Bay Fruit, **PiqaBoo®** is an exclusive, delightfully enticing fruit thanks to its naturally crisp texture, amazing juiciness and delicate, mild-sweet flavour. The fruit have a distinctive European pyriform shape with small brown lenticels over a striking block red colour and brilliant white crisp and juicy flesh, with a slight coarse texture.

**Braeburn**

Born and bred in Motueka, within 10 km of our orchards, **Braeburn** apples have a red-orange vertical streaky appearance on a yellow-green background. Distinctive robust spicy-sweet and tart flavour, with a hint of nutmeg and cinnamon, they have a pale cream to golden yellow colour flesh, firm to the touch. Perfect for baking!

**Cox**

Typically loved in Europe – particularly in the UK, **Cox** has a unique orange-red colour, deepening to bright red and mottled with carmine over a deep yellow background. Yellow-white colour and fine-grained, its flesh is also very crisp and juicy, with a delicate aromatic tart flavour.

**Fuji**

**Fuji** apple has reddish stripes and slight red to rosy pink blush over yellow background colour. It has a dense firm and creamy-white flesh that is fine-grained, which is very juicy with a sugary-sweet flavour making it probably the sweetest apple around!

**Granny Smith**

**Granny Smith** has a unique bright green skin, often covered with pale white spots but also slight pink blush, which may develop from high sunshine hours. It has a crisp and juicy white flesh with a tart, acidic, yet subtly sweet flavour.

**NZ Queen**

Exclusively grown in New Zealand, **NZ Queen** has a deep red skin colour – naturally russeted – with a clean white flesh. Very crunchy and juicy, with a sweet taste making it one of the most popular.

**Royal Gala**

Originating in New Zealand, **Royal Gala** is a famous bi-coloured apple with an attractive red blush – commonly striped – over a pale golden yellow background. It has a slight yellow to cream, crisp and fine-textured flesh. Its mildly sweet and floral aroma is loved all over the world.

**Cherish™**

**Cherish™** is an exclusive striking pink coloured over a creamy yellow background apple grown by Golden Bay Fruit in the sun soaked, maritime climate of Nelson, New Zealand. It has a sweet, crisp, refreshing tropical flavour and a creamy coloured, firm flesh.

**Stormy Fruit™**

While it may not look perfect on the outside, Stormy Fruit has the same taste, nutritional value and eating experience as premium quality fruit – Fuji, Royal Gala, Granny Smith, Cripps Pink and Braeburn – for an excellent price.

**Dazzle™**

**Dazzle™** apples have been carefully cultivated and grown in New Zealand to produce a uniquely consistent product – so you can be assured every apple will be sweet, crisp and delicious from the first bite to the last. First crossed in 1997, **Dazzle™** was 20 years of development and innovation in the making. It's a large, red, sweet ready to eat apple.

**Miranda™**

Grown exclusively by Golden Bay Fruit, **Miranda™** is a yellow-green apple with a sunny reddish blush and slightly russeted for a natural look. Surprisingly sweet and very juicy, it has a hard crunch and firm, creamy-white flesh. Its unique elongated shape makes it particularly recognizable.

**Pink Lady®**

**Pink Lady®** are the first apples to blossom and the last to be harvested. They have an attractive elongated shape, with a reddish-pink blush over a yellow background colour. Resistant to browning when cut, their flesh are dense and very firm, with a unique sweet-tart flavour.

**Ruby Star™**

**Ruby star™** is an indulgent, juicy eating experience with a delicate balance of tangy and sweet and subtle hints of spices like nutmeg and cinnamon. The good storability and the deep red shiny skin make every **Ruby Star™** moment one to remember. This variety is exclusive to Golden Bay Fruit, born and bred in 1952 in our family-owned orchards.

**Sassy™**

**Sassy™** has a quirky conical shape with intense ruby colour and attractive light-yellow background. Firm and crisp, every bite meets you with a pleasant balance of sweet zing and a mild after-taste. This striking apples' parentage consists of Scifresh, Fuji and Sciros.

**Envy™**

**Envy™** apples are striped, intensely red skin with yellow-green undertones, slightly russeted for a natural look. With a creamy to white flesh colour, they have an extraordinary hard crunch and texture, refreshingly sweet palette and beautiful colours. **Envy™ apples grown by Golden Bay Fruit are all exported by T&G.**

**Jazz™**

**Jazz™** flashes of red colour over shades of green, yellow and orange. Pale cream to golden yellow colour flesh, it is also firm, crisp and juicy. It has a tangy-sweet taste for a refreshing taste sensation! **Jazz™ apples grown by Golden Bay Fruit are all exported by T&G.**

**Koru®**

Distinctive with a squat shape with some russetting around the stem, **Koru®** has an orange-red colour over a yellow background. Its light cream to yellow interior is crisp, sweet and juicy with complex aromatic honey flavours, slight acidity and slow to brown. **All our Koru® are exported by selected NZ exporters.**
